Welcome to the Canadian Union of Public Employees, Local 3287. Your membership in this union is a condition of your employment.

Our union represents all Sessional Lecturers and Applied Music Instructors employed by the University of Saskatchewan. Through collective bargaining and the grievance procedure, the union endeavours to obtain reasonable salaries and working conditions for its members and to ensure good relations with the employer. To ensure the security of the bargaining unit as required by the Saskatchewan Trade Union Act, please sign and return to us the membership form at the bottom of this letter. Once a member, you remain a member until two years have elapsed since the expiration of your last Sessional contract. Union dues of 2% of gross Sessional earnings are deducted automatically from your pay as indicated on your T-4 slip. They are tax deductible.

Members determine policies and strategies for the union. Regular general membership meetings occur four times a year. The newsletter appears six times per year. Participating in this member-driven union ensures that it will be as effective as possible. Please contact the executive at the office with questions or suggestions.

Membership may be returned to the office free through U of S campus mail. Please inform us directly of any change in contact information.

In Solidarity:

Wendy Wilson, President, CUPE 3287
